PURSUANT TO MPEP 713.04**

Sir:

A personal interview was conducted on February 26, 2009, between Applicant's representative, Scott Wakeman, and Examiner William Deane. Claims 1, 11 and 19 were discussed as were the Mewhinney and Dezonno references. No exhibits were shown. Applicant's representative argued that Mewhinney did not disclose speech recognition or determining a phase of a call using speech recognition. The examiner agreed to review Mewhinney in light of this argument and to issue a further Office Action if necessary.

Respectfully submitted,

/Scott T Wakeman #37750/
